## WELCOME BACK TO PRINCESS CRUISES!

It is a pleasure to welcome you back and have you sail with us onboard the fabulous Diamond Princess. We at Princess Cruises value our repeat passengers and strive to offer you warm and friendly service, all to help you come back new.

I look forward to seeing you at the Captain's Circle Members' Event which I will be personally hosting during the cruise. Please look for your invitation to be arriving shortly.

In the meantime, enjoy your stay with us and please do not hesitate to see your Captain's Circle Host, if you have any enquiries about your membership, or would like to update your profile while onboard.

Kind regards,

Captain Todd McBain
