CURRENCY CONVERSION DETAILS

For non US issued MasterCard or Visa Card Holders - If you use a MasterCard or Visa Card issued outside of the USA which is billed in any of the following currencies: AUD, CAD, CHF, DKK, EUR, HKD, JPY, KRW, MXP, NOK, NZD, SEK, GBP, Princess Cruise Lines, Ltd. offers a service where the full amount of your charges are converted, at your election, to the currency of your card by our conversion agent, Global Card Services, Inc., using the exchange rate in effect at the time the amounts are charged to your card.

Authorize Payment - I choose to pay my charges in the currency in which my card is billed to me (if my card is billed in any of the currencies listed above). I understand that this currency conversion transaction is based on wholesale exchange rates collected from Bloomberg plus a 3 percent international currency conversion fee. I understand further that my choice to have my charges billed in the currency of my card is final. I accept that the exchange rate used will not be determined until a later date and without further consultation with me. I choose to pay in the currency of my card (please check here) ☐

If you opt for your charges not to be converted, or if your card is not billed in one of the billing currencies listed, your charges will be processed in the onboard currency (see your itinerary) and the issuer of your card may still charge you a service fee for currency conversion. I choose to pay in the onboard currency, please check here ☐
